

Subject: Region D Rally

The Region D rally will be held at Harrison Bay State Park. The dates are: Sept 2, 3, and 4 2016. The area we are camping in is Campground B, sites that we think are good are as follows: 41, 42, 43, 44, 45, 46. If you go on line you will see them and a couple of them are handicap. These are the closest to the bath house. There is only one bath house. These site will go fast therefore if you think that you might attend then you need to make a reservation quickly. This is a new area. Just about all sites are pull through. There aren't any cabins. We didn't see any motels near the campground.
